

REMARKS

The present Notice of Non-Compliant Amendment was incorrectly mailed to the Abelman, Frayne & Schwab firm in New York. This was the firm which handled the initial filing of the PCT application and the corresponding national applications. On December 14, 2007, the undersigned attorney filed a Power of Attorney signed by the applicant, Gerry Cook. This Power of Attorney changed the correspondence address to the address associated with the undersigned attorney's customer number 27616. All future correspondence should be mailed to the undersigned attorney.

It is noted that the prior Office Action was also sent to the Abelman, Frayne & Schwab firm and in the Response filed by the undersigned attorney on September 18, 2008, we advised the Patent Office of the incorrect mailing of this correspondence. Please change your correspondence address so that further communications are received by the undersigned attorney.

In the Notice of Non-Compliant Amendment, the Examiner required that the claims be listed including the entire text of all withdrawn claims including withdrawn claims. The applicant is submitting the amendments made to the claims with the two withdrawn claims 6 and 7 set forth in full text.

With these amendments, it is believed that the application is in condition for further examination.

DATED: *October 23, 2008*
